# About Children's Education Society

With an aim of providing a center for academic excellence and achievement, Children's Education Society (Regd.), was established in the year 1974, headed by the visionary educationist, Founder Chairman Vidyashree S. Narasa Raju. In its glorious journey of over four decades, the society has established under its wings more than 32 Educational Institutes in Bengaluru, from Pre-Nursery to Post-Graduate & Doctoral courses including Medical, Dental, Engineering, Management, Nursing, Pharmacy, Physiotherapy, Education, Life Sciences and Law.

The Society also runs various free services for the benefit of the mankind such as free dental services, medical camps and workshops. It works with a mission to develop competencies of students with good value system to face challenges of the continuously changing world. The Oxford Group of Educational Institutions Established in the year 1974 under the aegis of Children's Education Society (Regd.) has proved a beacon to knowledge seeker not only all over the country but also all over the world. It made a humble beginning with 24 students and 2 teachers, but during the last four decades, The Oxford Group has seen an immense growth of establishing Medical, Engineering, Dental Institutions under the great guidance and leadership of Late. Sri S Narasa Raju and Sri S.N.V.L Narasimha Raju.

## A Tribute

Late. Sri S. Narasa Raju  
Founder Chairman

*"The world steps aside for the man,  
who knows where he is going"*

Sri S.N.V.L. Narasimha Raju  
President

*"Leaders are not born, leaders are made  
by effort and hard work"*

## About Oxford College Of Engineering

The Oxford Group of Institutions, which was started with a mission to empower the students in becoming excellent human resources and to contribute meaningfully to the human society. Wide range of educational programs are being offered at the Oxford group to keep pace with the latest developments and innovations in associated disciplines. The Oxford family constitutes a total of 32 Institutes throughout Bengaluru, which have attracted students from all over India and abroad, who can utilize our high standards of teaching process offered by qualified teachers using state-of-the-art Infrastructure and Laboratories. Our Teaching-learning process is based on motivation and discipline and special emphasis is laid on the extra-curricular activities like sports, cultural programs, workshops, symposiums and seminars for the all-round development of the students. In order to create a breed of qualified, innovative and dynamic professionals for corporate sectors, service-industries, academics, research Institutions and self-employment, both technical and soft skills training's are provided to the students. The tie-ups with various national and international universities and organizations also contribute in widening the horizon for the students in selecting their career options.

The Oxford College of Engineering is one of the most prestigious institutions in Bangalore that provides quality training in professional education in various streams of engineering, post graduate programme in Computer Application (MCA) and in Business Administration (MBA). The Oxford College of Engineering is approved by AICTE, Accredited by NBA & Affiliated to VTU, Balgaum.
